

# Range Science Forum

*Celebrating Rangelands: honouring the past and looking forward to the future*

**Foremost Community Hall**

**December 11, 2025**

| <b>Agenda</b> |   |
|---------------|---|
| 09:00 – 09:15 | Registration & Coffee   |
| 09:15 – 09:30 | Welcome   |
| 09:30 – 10:00 | <b>Introduce the International Year of Rangeland and Pastoralists (IYRP) – Global Context</b><br>Presented by: Dr. Barry Irving |
| 10:00 – 11:00 | <b>History of range management &amp; the importance of research in Alberta</b><br>Presented by: Barry Adams                     |
| 11:00 – 11:30 | <b>Drought impact, planning and resilience</b><br>Presented by: Dr. Cameron Carlyle   |
| 11:30 – 12:00 | <b>Post wildfire management</b><br>Presented by: Brendan Bischoff   |
| 12:00 – 13:00 | Catered Lunch   |
| 13:00 – 13:30 | <b>Precision ranching, heat stress, animal behaviour and habitat selection</b><br>Presented by: Dr. Edward Bork                 |
| 13:30 – 14:00 | <b>Indaziflam herbicide and annual brome grass control</b><br>Presented by: TBD   |
| 14:00 – 14:15 | <b>Range health metrics &amp; MultiSAR</b><br>Presented by: Craig DeMaere   |
| 14:15 – 14:30 | Coffee Break  |
| 14:30 – 15:00 | <b>Carbon &amp; Grazing; Adaptive Multi-Paddock (AMP) project</b><br>Presented by: Dr. Edward Bork                              |
| 15:00 – 15:30 | <b>Cattle grazing, Climate Action Through Grazing</b><br>Presented by: Carolyn Fitzsimmons                                      |
| 15:30         | Wrap Up & Thank You's   |
